GOLDEN OLDIES

JUNIORS

PRESIDENT'S REPORT

The year draws to a close with a sense that it has been one of endeavour and success for Hunters Hill Rugby Club. The only criteria on which achievement is measured, victory on the field, has been satisfied. The extent to which we bask in self-satisfaction is, however, mollified by the fact that for the second year in a row we failed to make the Kentwell Cup grand final despite creditable efforts by all concerned.

Over the past five years all grades in the top division have reached the semi-finals. Since 1977 the club has won 14 of the 28 cups contested in this division. These are attainments unparalleled by any other sub-district club and quite probably by any other club in the history of Sydney rugby. They bear testimony to the work by all players and officials of the club. At the same time as thanking all of these, I call on them to add that little bit extra in the year to follow. I know and appreciate the strains that commitment to the club puts on everybody, but unfortunately, with an amateur club such as ours, we can attain nothing without it.

On many occasions many big jobs are done by too few and too little thanks seems to be forthcoming, the result is burn-out and a reluctance to contribute in the future. It takes a peculiar style of strength and resolve to keep on putting the effort in and yet the club will wilt like so many others unless this effort continues. I hope this club will continue to be the source of enjoyment it is now when the young Wincotes, Brunsdens, etc. will be playing in 20 years time. It is our job to make sure it is. We're not a small club and the jobs to be done are not small jobs but with resolution we can improve our operation even further — it all depends on us.

This year has seen many things with which we can indeed be satisfied. It marked the resurgence of the juniors thanks to the persistence of that polished official, Bruce 'Angry' Lycett. He managed to rope together a 14-years team from all parts of the world. In the first half of training he taught them English whilst in the second half that redoubtable personality Paul 'Ike' Ivory taught them the finer points of Rugby. The improvement in the side was steady and it is hoped to field 2 fairly strong sides in 1984. Many thanks to all concerned for a job well done.

At last year's Annual General Meeting it was decided, despite much skepticism, to field a fifth grade side. This proved a masterstroke. Despite being placed in a competition along with such clubs as Randwick and Northern Suburbs, the boys never took a backward step. Despite massive amounts of team changes, injuries, etc. they never forfeited a match which is more than can be said for some of their more illustrious rivals. The third and fourth grade successes were largely due to these boys and that wonderful coach, John White, whose advice was always forthcoming.

The coaches of the club's first division sides displayed an enthusiasm and professionalism that can only be admired. If commitment was the only basis then the club would have won all trophies. Every player was aware of the knowledge, will to win and effort that his coach put in. Special thanks must go to the granite-like behemoth Peter Wincote who took over the reins when the club's elected coach, Tony Brunsdon, had to resign due to family concerns. In addition, one must thank Aub Bennett for his yeomanlike service yet again.

This year's committee was a pleasure to work with. All approached their jobs with seriousness and a view to the future of the club. I would like to see all of them continue their close association with the club and the club would continue to be very well served if they did so.

Finally, I would like to thank all our wives, supporters and vice-presidents for the support that is so necessary to keep a club like ours running. In particular I would like to thank our clubman of the year, John Hibbert, for his wonderful fundraising that will allow our club to function smoothly and prepare for future tours by all of our members. Of course these congratulations extend to the cost of the Revues that have helped make entertainment a four-letter word.

To all of you I extend my wishes to you and your family for a happy Christmas and a successful new year with the club.

ROSS ELLIOTT

CLUB CAPTAIN'S REPORT

This year, thanks to definite pre-season conditioning and trials, the club again proved a dominant force in sub-district rugby union. Four grades reaching the semi-finals and two of these going on to win grand finals. On behalf of the players a very special thanks to the coaches' efforts all year. Also, to our ever vigilant first aid officer, Aub Bennett.

"Supporter of the Year" award went to Warren Lane. Congratulations, Warren, and the many supporters without which no club can survive.

The pre-season tour was to Port Macquarie and it was decided, rather than blemishing our touring record, to let the locals win. But not before Grant Millard was sent from the ground for questioning the referee's breeding, and John Glennon for repeatedly striking the opposition with his face. In all, a great trip. "Well done, Whitie!"

This year's social scene carried on a tradition surely envied by other clubs. Peter Ellis ran a spectacular calendar, along with his dedicated helpers. One who can't go without mention – "Clubman of the Year" John Hibbert.

1983 also saw the emergence of two additional teams. The Robertson Cup (Darkie Cup), and after a long absence, a "Juniors" side (Under 14's). To Whitie and Angry, congratulations from the whole club on a fantastic effort.

Some people look towards 1984 with trepidation, after failing to win a Kentwell or Burke Cup. I, however, view the future as an exciting and challenging time for Hunters Hill.

It will take very strong opposition to defeat the Judd and Whiddon Cup in the future. Proper and imaginative management and coaching will prove it only a matter of time before the Kentwell and Burke Cups, and the Club Championship trophies are also back with us.

In closing let me say, whether on or off the field, when you wear the black & white – YOU ARE THE CHAMPIONS.

JAMES PEARCE

CLUB COACH'S REPORT

Congratulations to the Whiddon Cup and Alan Clark for retaining the premiership and setting a record for the number of times the cup has been won.

To the Judd Cup and Tony Tancred congratulations for regaining the cup and setting a record for the number of times it's been won.

Although not winning the Club Championship, we still showed everybody that "we are the champions" by winning two of the premierships. To every club member – well done.

This was the first year we had five teams. Although training was congested at times, thanks must go to all the teams for the way the problem was overcome. The use of No. 2 and the improved lighting was an invaluable help.

To John White, our 5th Grade Coach, well done. Although not winning each week, he built spirit and gave everybody, even some of the supporters, a run. I feel the major reason for our success has been due to the 5th Grade side in producing some players who played in not only 1st Grade, but our winning sides. One person I must mention is Martin Stone; he would be the most improved player of the year. He developed through being given the opportunity in 5th Grade.

The 4th Grade, led by Tony Tancred, proved how to win with determination and dedication. To Tony, his 1st year as Coach, congratulations. To captain a premiership side is not easy, but to captain, coach and win has put you into a select few of our coaches who have attained this level, i.e. Bob Johnston, John White and Allan Southcombe. To Peter Wray and the 4th Grade – your attitude has been an inspiration to the rest of the club.

Alan Clark again showed how not to coach a side and still win the cup. The 3rd Grade Colts were never going to let any other club near the cup, which I feel should be re-named the "Hunters Hill Colts". With an average age of 32 and 33 next year I feel the cup will be in our hands for a long time, or at least until they get old!

The Burke Cup stayed out the year with no real cohesion, they seemed to need to be in a position of desperation before they combined into a real force and went through the 2nd round and defeated all teams to finish 2nd. This was an impressive record and one which your club is proud of.

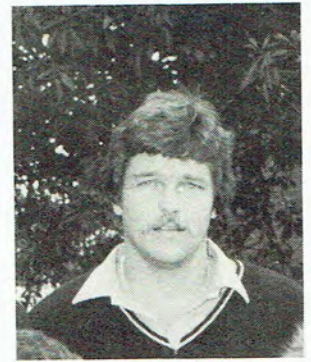

Geoff Forster and Peter Wincote did everything they could to win the most difficult cup – the Kentwell. Their training was hard and their dedication consistent and only lacked a few key players. It is not the time to panic, as there can only be one winner out of the competition. It's time to re-evaluate our situation and come back harder and stronger next year, as we did in 1981.

To Andrew Mostyn, our Club's Best and Fairest, I am sure all coaches and players congratulate you on winning the Ted Warrilow shield.

I am sure I speak for all the members of our club in thanking Aub Bennett for again giving us his support as our Zambuk and hope we see him again next year.

The selection committee consisted of the 5 Coaches and the Club Captain, Jim Pearce. We adopted a policy, that, if the voting was even, the prospective coach would be given his preference. I feel this was a satisfactory method of deciding the situation and recommend it to continue next year.

ALLAN SOUTHCOMBE

SOCIAL CONVENER'S REPORT

Last year's Social Convener 'the little pommie bleeder' finished off his report with the statement: "May my successor never run out of Tia or Resches Pilsener". Well, I doubled the stocks of both and still ran out. Maybe this is a sign of club maturity or then again club insanity, as both these brews tend to upset the stomach. Tooheys Old and New drinkers should be happy, as I always kept myself happy.

This year saw a very crowded social calendar with myself working in with John (wish to be an aussie) Hibbert. It proved fairly easy as there were many dates to pick from and he is a very approachable and fair person. I would like to extend my sincere congratulations to John for a herculean effort in the organisation of the Revue's and Clique Dinner. A great effort, well done.

Now for some highlights during the year: —

1. GOLF DAY = '2 day old Kentucky Chucky' = Clarky cheating and winning again = Mal Beard wheeling an esky around instead of golf clubs.
2. POLLY'S CHRISTMAS PARTY = Rain = Hundreds of People = police being called 3 times from complaints cross the bay = a record profit = a record amount of Tia being drunk = having Tia left over! = Ted not going to hospital = A fantastic night.
3. GROUCHO'S TENNIS NIGHT = RAIN.
4. CAR RALLY = driving 40 miles to get to Clarkes Point = Cowboy and Bucket in a photo finish = Cowboy disputing the score card, again = great Olympic Games = Beth throwing the rolling pin into the harbour from 2 miles.
5. GROUCHO'S TENNIS NIGHT = RAIN.
6. TRIVIA NIGHT = Cheryl knowing the answers to just about everything = Millard knowing nothing = prize being kept in the family, again.
7. THE BALL = making a loss = Al Garrick and wife falling over before it really got started = J.G. falling asleep = Mae West winning a prize = Strongarm dive bombing tables = great costumes = everyone not being sober.
8. GROUCHO'S TENNIS NIGHT = RAIN.
9. GRAND FINAL NIGHT = not making a loss = rain = watching Wincote put Pearce into a car = J.G. (Des) and myself (Dawn) swimming the channel = watching Clarky's kids wishing dad a happy father's day early Sunday morning = everyone having a sensational time.
10. PRESENTATION NIGHT = some of the speeches = not some of the speeches = Golden Oldies presentation.

I think consideration should be given to barring Nostradamus from some of the social functions so it does not rain.

I would just like to say that the two biggest functions of this year 'Polly's Christmas Party' and 'Grand Final Night' would not have been possible and as successful without Polly's and Mostyn's abodes. I wish to thank them for letting us share, for a while, their magnificent homes. Beauty!

Finally, I wish to thank everybody that helped me in any way this year, no names, they know who they are.

THANKS, and wishing future S.C.'s all the very best.

KENTWELL CUP REPORT 1983

Although we had trouble finding consistency with our game this year, drawing with weaker sides one week, then beating a stronger side next week, then being beaten by one or two points the next week. We did make 4th spot by 3 points in what I thought was a fairly strong competition and we were the only side to beat Colleagues in a competition game.

In the minor semi-final we played Chatswood and I thought we were slightly unlucky to draw 6 all.

Although some of our players are starting to feel the years, I would like to thank all players for their attitude to training and their positive approach to each game.

I do not want to single out special players as it is a team game, but I would like to thank captain Geoff Forster and forward leader Shane Wolfe for their support during the year and for leading by example in games. Congratulations must go to Andy Mostyn for winning Kentwell Cup Best and Fairest, just beating Tony Marsden and also winning Club Best and Fairest.

Once again to all players thank you for your effort this year and good luck next year.

BURKE CUP REPORT 1983

The Burke Cup had a year of disappointments as well as pleasures. We commenced the year with inconsistent play and were running 6th by the turn of the round.

This dramatically changed, as we finished the year in 2nd position and had defeated all the clubs.

Full credit must go to the players who devoted themselves to this task, after having a number of changes due to injury.

We set out to win a crucial game, Colleagues at Woollahra, our preparation for this was intense, our attitude ready, and we had a decisive win. This I feel was our grand final and from that point we only went in one direction.

The forward pack was our strength, led by Bob Johnston and with the power of John Pausey, Clem Burgess and Tony Brown, we had more than our share of the ball. When the opposition had the ball we had Roy Kitchen at their throats.

To the backs, at times playing out of their depth, well done, you handled the situation admirably and thanks must go to Kevin Mellor, Chris O'Toole, Ken McFarlane, Jarva, Cowboy, Andy Davis and Mark Farrar.

Our highlights for the year were —

1. Clem in having had enough scrums and wanted 440's instead.
2. Roy being sent off for impersonating Johnno.
3. Mal Baird winning the kick of the year after "putting curry into it".
4. Roy and Clem winning the Best and Fairest. Well done!

Thanks to the Burke Cup side and all who played in it as stand-ins or reserves.

To Aub Bennett thanks for another year as our Florence Nightingale. We all appreciate your help.

WHIDDON CUP REPORT 1983

1983 and the record shows games played 20, games won 17. A fine record but one which I'm sure should have read 20 played, 20 won. However, I am fairly hard to satisfy and I admit the most difficult task was to keep the sides' interest high when at one stage they led the competition by 9 clear points.

This does exemplify the fact that they were the best side by far and thoroughly deserved to win the cup.

Looking back, we once again had a fun-filled, enjoyable season, interrupted only by a dedicated seriousness undertaken by every player during the finals.

I don't want to single out any player for mention, but I must sincerely thank the efforts given by the more experienced players during the finals. In those games I believe that all players gave almost faultless performances with some outstanding and all should feel justifiably proud.

I must thank Russell Kershler for his guidance and support and for not calling a strike all year.

I am happy to have been able to give Paul Breen a chance and I am sure he can go on to greater things as can Dave Peters. I was lucky to have had Shane Causer for quite a few matches and feel sorry he missed a game in the grand final.

I am sure Al Garrick remembers the great game he had in the major semi, as would Phil Power.

Nobody will forget Farto's try-saving tackle, or dispute the importance of Cowboy's try or Tony Brunson's second-half goal in the grand final. I must emphasise, however, that it was a great team effort and every player should be proud.

I'd also like to thank all the players who, by their effort throughout the season, helped the Whiddo's get to the grand final.

I'd like to thank all the other coaches for providing such light entertainment at selection meetings and congratulate them all on a great effort, especially Tony Tancred winning in his first season as coach.

JUDD CUP REPORT 1983

In 1983 we were fortunate enough to complete the season as competition winners in Judd Cup. In doing so we had, in my opinion, and hopefully that of the participants, a happy, successful, and enjoyable season.

Having had several seasons in Juddies, it was obvious to me, that it was vital to play the game totally, if possible, in the oppositions '25', as the 25 minute halves made it imperative to get early points. We realise that this isn't necessarily the best football to watch, as the 'bagging' from the 'champions' in the stand sometimes reminded us, but the overall result was worth it.

We were fortunate that we had in the side several 'Golden Oldies', who had the experience etc. required for the big games, and for when the 'chips were down', but it was also obvious that when it was absolutely necessary, the whole team could lift their overall performance by at least 20%, particularly when we were considered the underdogs. As a coach, this gave me great confidence and encouragement, as did the fact that at least 5 players, through POSITIVE motivation and discussion, were consistently able to lift their games and play to their 'true' standard and ability when called upon to do so. These players being Tiny Jardine, Andrew Oakley, Paul Sowerby, John Hibbert, and Martin Stone (Billy Rock).

During the season, we dropped and drew a couple of simple games through 'silly' early mistakes, and didn't find the time to peg back the points lost; however, it was more a case of losing than being beaten. Generally, we came off as winners, and I feel it was due to several points:

Firstly, we played as 15 for at least 80% of each game.

Secondly, we were dedicated to the task and stuck to a game plan.

Thirdly, despite the fact that some games were considered hard and some were considered easy, the replacements (sometimes last minute), fitted constructively into the team, and played above their ability, notably Alan Beard, Bruce Quinn and Doc Porter.

Fourthly, there were several players who for varied reasons, were in and out of the side and their efforts shouldn't be forgotten, especially in winning a few of the vital matches. The players involved that come to mind are Arch Brown, Graham Sam-Way, Oran Stevens and last, but not least, Peter O'Connor. Thanks for the effort, and I still wish there was some way everyone could have played in the Grand Final.

It was sad that one of our most consistent players and well deserved winner of the 'Best and Fairest Award', Peter Wray, was not able to play in the 'big one' due to injury. However, injury aside, he celebrated well after, with another 'low key' individual, Johnny Glennon.

Fifthly, I must thank John White for both his and the support of 5th Grade during the season. It was noted and well appreciated.

Finally, I couldn't close without mentioning 2 or 3 others. One, an 'unknown' by the name of Peter Miles, who slipped into the Juddies, replacing the injured Peter O'Connor, had a good consistent last 5 games, and became well known for his 40 m kicks (into the wind !!). The others, two of my most dedicated trainers, if a little eccentric, in Armstrong and Ike. Stuart made a point of reminding me that 8 to 9 tries were scored in the last 4 games, possibly more than we scored in the whole second round of games, and the majority in the backs. However, all would commend the Tight Five, who won the ball we needed to score those tries in the big games, and the tireless, talented, back row trio of Tuynman, Wray and Laundry.

Thanks to the club for giving me the opportunity of coaching for the 1st time, I did understand their reservations, but as the results show, with a team made up of predominately "LIBERALS AND CATHOLICS", we might consider doing it all again next season.

Back Row: Greg Brown, Rod Tuynman, John Hibbert, Simon Wilson, Bruce Quinn, Peter Wray, Martin Stone, Ian Sanford.
Seated: Graham Samway, Russell Scott, Paul Sowerby, Tony Tancred (Captain-Coach), Orrin Stephen, Colin Laundry, Andrew Oakley.
Absent: Pat Corrigan, Jim Pearce, Garry Jardine, John Glennon, John White, Stewart Armstrong, Paul Ivory, Peter Miles, Paul Maher, Peter O'Connor.

ROBERTSON CUP 1983

The '83 season saw a new side emerge in the history of Hunters Hill Rugby. A fifth side playing for the Robertson Cup in Fifth Division of "Subbies".

Even before a ball was touched at pre-season training, smiles began to appear on the faces of the Management Committee, who decided to enter the side and by the end of the season all involved in the Club praised the success of the team. A success may be not in winning games but a success in many other aspects of Rugby.

The season started with some old faces in the team, not old in years but in seasons "leaning on the fence" waiting for their chance. Phil Shaw, Martin Stone, John Hibbert, Max Malcolm and Ian Arrighi showed improvement by being able to have a regular match. New players had full games to show other coaches their ability. Paul Breen — Robertson's Best and Fairest, Andrew Miles, Ian Sanford, Danny Tait and others played higher grades. Regular clubmen Greg "Arch" Brown, Bruce Quinn and Andrew Oakley, social guests Michael and Peter Moss and that other experienced gentleman, Tim Hughes, all helped the many others, 56 in total, enjoy a game of Rugby.

I would like to thank all players, special thanks to Tim Hughes and John Hibbert, for assisting with team organization and training, Brian Robertson (whom the Cup is named after), for leading the team in the first match and to other club members who supported the team throughout the season.

Two hopes for next year — firstly that we aren't in the same Cup as the grade sides and secondly that you play next season, in the grade you are selected, with the same determination and team spirit as you ended the '83 season.

GOLDEN OLDIES' REPORT

"Anything is possible in Rugby." Therefore it should come as no great surprise to find Hunters Hill fielding a side in the 1983 Golden Oldies' Festival.

A team that had the agility of an Australian back line, the ferocity of a Kiwi forward pack, and the thirst of a thousand Welshmen.

I had the daunting task of trying to keep the team on its feet during months of arduous training at the Gladesville Sporting and Bowling Club. These pre-festival activities proved invaluable, and Hunters Hill Golden Oldies', without injury (but never without port) managed to survive all games day and NIGHT!

Although we rose triumphantly to glory in the first two games proving our 'aging' talents, we thought it only fitting and in keeping with the spirit of the festival to draw our last game, between the youthful Melbourne University side.

But such a successful week of Rugby would not have been possible without people like Derek MacRae, who not only managed the team but was responsible for so much work behind the scenes, aided by John White and Tim Hughes. Thanks also to Ian (Cowboy) Ross for donating the team jerseys, Judy Hughes who made the impressive presentation plaques, and an anonymous supporter, who helped the team with a generous donation. Fossy, our sartorial port waiter and the thousands of supporters who flocked to each game are not to be forgotten. Along with the various clubs, pubs and similar establishments, too numerous to mention.

In summary let me echo the words of Henry Lawson —

*The night too quickly passes,
And we are growing old
So let us lift our glasses
And toast the Days of Gold.*

See you at Twickers! (1985)

IKE'S JUNIOR TOUR '83

Our departure to Maitland from Boronia Park at 8.00 a.m. was delayed for 2 hours by having to ferret out the Marrickville connection, which didn't show up at all. Undeterred eight juniors and eight seniors (to look after the juniors, you understand) headed north singing the tour song "You give me head".

The juniors played a very watchable game with borrowed players, despite our seniors bravely volunteering to make up the side by playing on their knees (which most of them were anyway!). Nice one, boys. With the lads safely billeted out for the night, we went to explore Maitland's nightlife, which amounted to a big ZERO - I've had more fun in a confessional. The only pumper being enjoyed by Henry, our coach driver. Very selfish lad, Henry - wouldn't share his toys. A "friendly" game of touch on a beach homeward bound saw the juniors narrowly beat the seniors 10-9, even though we sent 5 off for using foul language. Henry scored all our points.

An excellent time was had by all. Thanks for the headaches and help by those involved, especially me Angry mate.

TREASURER'S REPORT

I find myself for the third year in succession commenting on the tremendous year, financially, which the club has had. The aim of this report is not to commend those club members who have worked so hard to achieve this success but to present to you the financial results of their endeavours.

In order to gain a better understanding of the attached financial statements, I offer the following points:

1. ACCOUNTING PERIOD

In accordance with the resolution passed at a special General Meeting of the Club held on 29.3.83 at Boronia Park, the end of the financial year of the club was changed from the 30th September to 31st October. Accordingly the attached Statement of Receipts and Payments reports on transactions for the 13 months period 1.10.82 to 31.10.83.

2. BORONIA PARK LIGHTING

The club contributed \$3,000 towards the cost of erection of additional lighting on Boronia Park. The work being carried out by Hunters Hill Council at a total cost of approximately \$9,000.

3. INVESTMENTS

All our investments are held with National Westminster Finance Australia Limited on 24 hour call, currently earning interest at the rate of 11.5% per annum.

4. OVERSEAS TOURING FUND

At the 1982 AGM it was decided that all funds earned during the 1982/83 year after deducting the running costs of the club but not including interest earned on investments be set aside for an overseas trip.

The calculation of the amount to be set aside (out of total club assets as at 31.10.83) as an Overseas Touring Fund is as follows:

Club Assets as at 1.10.82		
As per Balance Sheet		21,596.57
Social Committee		<u>2,770.61</u>
		24,367.18
Less Club Assets as at 31.10.83		
As per Balance Sheet	24,233.38	
Social Committee	<u>5,116.22</u>	<u>29,349.60</u>
		4,982.42
Add/(Less) Items not to be included in Calculation		
Boronia Park Lighting	3,000.00	
Interest earned on Investments	<u>(2,777.50)</u>	<u>222.50</u>
OVERSEAS TOURING FUND AS AT 31.10.83		<u><u>5,204.92</u></u>

Finally, I would like to convey my thanks to the committee and all the members for their support of me during another great year with the Club.

G.M. SANFORD
Treasurer

AUDITOR'S REPORT

I have examined the books and records kept by the Hunters Hill Rugby Union Football Club (Senior Club only) with the exception of the records kept by the Social Committee, and found them in order. The above Balance Sheet and Statement of Receipts and Payments have been prepared from the records and books of the Club and in my opinion give a true and fair view of the financial position as at 31st October, 1983.

1983 REVUES

Four years ago we presented our first revue, with two the following year, three last year, and four this year. We were to attempt a fifth one last October, but ran out of time and energy. Perhaps we might make it five out of five next year?? We intend to present our very best (or worst!) sketches collected over the past four years. An indication of the huge success of our efforts can best be measured by the fact that we've entertained about 2,500 people in total, producing approximately \$16,000 for our club funds.

Apart from a near strike by the cast 3 minutes before the start of the third show, through a lack of Tia's back stage — an oversight on my part . . . plus various cast members overacting and demanding more sketches, and some heart stopping panics with lights, sound and curtain breakdowns, all went fairly smoothly!

Millions of people were involved with the success of our revues, and I would like to take this opportunity to especially thank Nick Hutchinson, our Cordon Bleu Chef, for his tireless efforts, and the ever faithful meat-man, Johnno. Decca & Ruth (more oil on the curtains next year, please!); Stella's family Oi, Lorrie and Una for the fabulous costumes (I wear my pink frock everywhere, girls); Kerry Sunderland and wife Paula for the perfect sound and co-ordination between stage, lights and curtain (and his loud voice). My brother Chris for staying sober operating the lights — well, that's what he told me.

Last, but not least, our multi-talented megastar cast of thousands, who have consolidated their spots in the show where it's impossible to give new talent a go, unless one happens to dislocate a hip or be travelling OS or similar. A big thank you goes to Stella, Merril, Shagga, Andy, Trent, Fossy, Russel, C. Hopper, Mal Baird, Mossy and Cliff. Whilst we all work our what's it's out, I'm sure they'll all agree that we have more fun than the audience — see youse all next year . . .

1983 CLIQUE DINNERS

Without doubt the most successful new social function in many years has arrived in the form of our Clique Dinner Parties. At first treated with some scepticism and doubt by more established members of our club — more afraid perhaps of not receiving an invitation, I suspect!! Five dinners were held, unfortunately (like the revues) time and energy ran out for a planned sixth dinner. Apologies for those that missed out, you'll be first on the list next year.

Number one people to thank are our hosts and hostesses, without whose hospitality and help would have made none of them possible. To Ted and Alison Polly, where two dinners were enjoyed, a big thank you, and thank you Ted for the idea, which has proved so successful. Thanks, Alison, for the 4 a.m. chats and hangovers.

Thank you Peter and Trish Moss, whose dinner stands out above all others as the only one where the main course was never served, as guests were too busy dancing, etc. Special thanks to Paul Bryan for keeping sober to drive the bus to and from the dinner.

Thank you to Mr & Mrs Sanford; we picked a superb evening to dine on the verandah overlooking Sydney Harbour. We nearly lost our President over a 20 foot drop, whilst providing an incomprehensible end of dinner speech!

Thank you Bob Mostyn for a very special night, not forgetting Sue Tooley for the splendid orange juggling act during main course — nice one, Sue

As with any successful function, our tireless helpers were ever ready to perform in providing top class evenings. The nucleus being Griff, Gail Pearce, Judy, Trent and Greg Loan. We had numerous volunteer workers whom we couldn't have managed without, so I'll just say a general big thank you to all of you.

I hope the Clique Dinners will survive next year and that someone out there reading this will volunteer to organise them, as I wouldn't mind an invite meself!!
